# **Welcome** to the Island and the 2011 **TAEA Conference.**

We are thrilled that you have made your way to the sun drenched, sandy shores and the gentle breezes of Galveston and the hospitality of Moody Gardens as we celebrate the 50<sup>th</sup> Anniversary of the Texas Art Education Association Conference. “Every Day Matters” is the theme of this Conference, and is a salute to the past, a celebration of the present, and a hopeful look to the future of art education in Texas.

## **Every Day Matters, and Every Moment Matters.**

This conference is packed with vibrant and informative in-service workshops, nationally recognized keynote speakers, art exhibits, demos, experience institutes, walk up workshops, commercial exhibits, tours, artisan markets, special events, and social opportunities. TAEA has planned a dynamic and fun packed professional conference for you based upon what you have said that you need. Spend your days soaking up great ideas, reconnecting with old friends, making art with your colleagues, and recharging your creative batteries. But save a few moments to savor the flavor of the Island – dip your toes in the water, visit a charming local gallery, wander the shops along the Strand, or indulge in a double-dip cone.

**The Local Conference Committee, under the direction of Chairs Joey Doyle, Karri Clark, and Joan Finn, has done a remarkable job of organizing these jam-packed conference days. A tip of the hat (a “flip” of a “flop”) to these hard working folks for the hours and hours that they have put in to make this conference a success!**

**Thank you for being here and for your passionate support of TAEA. We are here to serve you. Enjoy your Conference!**
