The VASE Blue Ribbon Committee has chosen to continue the JR VASE IN ABSENTIA EVENT PILOT for 2027, which occurs simultaneously as the In-Person Regional Event. The IN ABSENTIA entry enables students with an approved attendance conflict to submit work for adjudication and feedback without attending the In-Person Regional Event. Teachers will apply for IN ABSENTIA Status before the Final Deadline, and if granted by the Regional Director, can enter no more than 20% of their student entries as In-Absentia.

Three major changes were made to the original pilot for the 2027 JR VASE Regional Events: 1) The Junior VASE Virtual Pilot Program will now be referred to as the Junior VASE IN ABSENTIA Event Pilot; 2) Jurors will evaluate all IN ABSENTIA JR VASE entries using the IN ABSENTIA Criteria (see Section III.2) with a top score of 60; and 3) IN ABSENTIA entries WILL also be eligible for Area Event Adjudication Platinum Level (see Section III.3).

IN ABSENTIA Event Pilot rules modifications are in red type, highlighted yellow.

Section I.1: GENERAL REGULATIONS

TEACHER ELIGIBILITY: The Junior Visual Art Scholastic Event (JR VASE) shall be open only to full-time students in grades 6-8 in all Texas comprehensive (accredited) public, private, charter or homeschools. The sponsor teacher must be a current member of TAEA and accept the responsibility of students, procedures, and entries. A school may participate in JR VASE whether or not a formal art program is in place on the campus. It is prohibited for a member teacher to register any other teacher's students with his/her TAEA number. A TAEA member/teacher may enter student artwork produced under his/her direct supervision as long as the student is not also working on that same artwork under a non-member's supervision. A violation of this rule will result in disqualification of the TAEA member's students, and the second art teacher's students. **In the case of Virtual/Online Schools within a school district, the student must have a district-assigned art teacher/instructor in order to participate; the sponsor cannot be a parent/guardian.**

(A)STUDENT ELIGIBILITY: All participating students must be academically eligible on the day of the JR VASE event, in accordance with the TEA UIL Side by Side Academic Requirements (No Pass/No Play) TEC 33.08C. A student need not be enrolled in an art class to have his/her work considered for submission. A student's JR VASE artwork creation MUST be both SUPERVISED by, and SPONSORED by, the same individual TAEA member from their

campus of record who SUPERVISED the creation of the work. Participating students must be enrolled in the sponsoring school for 30 calendar days prior to the Regional Event. Artwork entered in a Regional Event is subject to rules, procedures and fees that apply at the Regional Event.

(B) **SUPERVISION OF STUDENTS:** TAEA and host sites will not take responsibility for students. All participating students must have district-approved adult supervision at all JR VASE events, at all times. It is the Sponsor/Teacher's responsibility to have students checked in and at their assigned adjudication location **30 minutes** before they are to be juried. Failure of the Sponsor/Teacher to do so can result in disqualification.

(C) **NUMBER OF ENTRIES:** Any student who participates may enter a total of two works of art. No more than one student may work on a single entry.

AI tools scan other artists' works for their style and subject matter; use of such images constitute plagiarism and do not abide by the JR VASE artwork originality rule. Section I.3: ARTWORK CATEGORIES DEFINED

(A) CATEGORY 2-D: Two-Dimensional Design

Artwork that primarily has two dimensions (width and height).

(B) CATEGORY 3-D: Three-Dimensional Design

Artwork that has three dimensions (height, width and depth). The understanding is that the structure of the 3-D

artwork is constructed by the student.

- (C) **STUDENTS MAY CHOOSE** to enter an artwork in the 2-D or 3-D category, but students should consider that entering it in a non-traditional format could make it difficult to meet the criteria according to the standards.
- (D) **A STUDENT USING A READY-MADE OBJECT** as the surface for a traditional 2-D medium may choose to enter it as a 3-D artwork or as a 2-D artwork. However, the student should consider that entering it as a 3-D artwork will make it difficult to meet the criteria because jurors consider 3-D artwork as that which is constructed by the student. An example of this type of artwork is a painting done on an actual guitar.

Section II: POLICY, PROCEDURES AND CODE OF ETHICS

- (A) **ENTRY CERTIFICATION:** All official regional entries in JR VASE must be entered online in the official TAEA/JR VASE website. All official forms will be generated **from** the data submitted. Any changes altering any part of the official entry forms will result in disqualification. All entries must be listed on the **Regional Entry Certification/Teacher Check In-Out Form** and signed by the school principal. Artwork that is confirmed on the **Regional Entry Certification/ Teacher Check In-Out Form** must be the same artwork that is juried at the event. No artwork will be juried without a properly completed **Regional Entry Certification/Teacher Check In-Out Form**. This form not only certifies that the students are academically eligible, but also that the artworks have been carefully examined by the school administration and found to be acceptable for students, the school, and the community. Deadlines are firm and must be met without exception. It is the responsibility of the teacher to ensure that the artwork that is adjudicated at the event is the same as the artwork registered on-line in the TAEA/JR VASE website. Artwork **MUST** match the uploaded completed Artwork Photo. The **Regional Entry Certification/Teacher Check In-Out Form** is turned in at Teacher Check-In **on the day of the regional event.**
- (B) **ENTRY FEES:** An entry fee per student, per entry is required to cover JR VASE expenses (medals, jurors, printing, etc.). The State Directors of VASE and Blue Ribbon Committee annually **review expenditures and adjust** the entry fee for the regional events, if necessary and **if approved by the Blue Ribbon Committee.** **All entry fees are non-refundable.** All entry fees and regional invoices must be received by the TAEA Office before an artwork can be juried. Once a reservation **for a student participant** is confirmed **and remains in the JR VASE Regional Event website after** the Add/Delete deadline, the teacher/sponsor is required to pay for that entry, even if the confirmed entry and participant Did Not Attend (DNA) the event. **TAEA/VASE State Directors suggests that a teacher/sponsor find a replacement the student who can no longer attend with an alternate participant, such as a participating student who wants to enter a second work of art or a reluctant student who now wants to participate. This change MUST take place prior to the Final Deadline is for Editing / Uploading / Certification (10 days out from Regional Event).**
- (1) Regional Event entry fees will be \$15.00 per entry. Make school checks payable to TAEA. Payment must be mailed to the TAEA office (or card payment processed) a minimum of ten days prior to the Regional Event and accompanied by a Regional Invoice. No cash payments or parent personal checks are accepted.

- (1) Category 2-D -Two-Dimensional Design
 - (2) Category 3-D -Three-Dimensional Design

 - (b) Regional Certification/Teacher Check In-Out Form is filled out and signed by the principal.
 - (c) All entries must be completed and Certified by the time they go through Online Qualifications

- (d) Artwork must be inspected during Online Qualifications and certified by a Qualifications Worker according to the JR VASE Rules, Guidelines, and Policies before it can be juried.
 - (e) Each sponsor teacher must sign out and pick up their medals at the completion of the Area event. Juror Rating Forms can be printed by sponsor teachers once they are released by the Regional Director.

(2) **Student Intent Form:**

- (a) A **Student Intent Form** is required for each entry.
 - (b) The **Student Intent Form** must be certified by the teacher of record prior to the event stating that, “I certify that this artwork was produced under my direct supervision; I have examined it & its sources and found it to be acceptable for students, our school, and our community. I have read and agree to uphold all rules, regulations, policies and the Code of Ethics of the TAEA Visual Arts Scholastic Event.”
 - (c) Students must complete a **Student Intent Form** for each artwork entered before the posted Upload & Certification Deadline. All questions must be answered in complete sentences using their own words. To help students answer the jurors' questions, teachers may provide them with a copy of their written information. Students must use only the space provided online for their responses; information over 100 words can be included in the Reference PDF. Each response MUST contain at least 10 words (exception: “Did you use Electronic Media?” question has no minimum). Students must NOT repeat phrases or sentences to reach this minimum.
 - (d) Each 2-D artwork entered must have the **Student Intent Form** (printed from **Print Menu / Dashboard**) securely attached to the center back of the artwork.

 - (f) A copy of the **Student Intent Form** along with a photo no smaller than 5 X 7” of all boxed 2-D & 3-D artworks must be attached to the outside of the packing box.
 - (g) The URL field is for Animations and Functioning Artworks only. Do not include links to other videos, including those showing different views of 3D Artworks.
- (3) **Titles:** The **Student Intent Form** calls for a unique, creative title. For identification purposes, each entry is required to have this. Students may not use generic descriptors such as Painting, Drawing #1, Untitled, Self-portrait, Still Life. Each piece of artwork registered by the same teacher must have a one-of-a-kind title.
- (4) **Artwork Release Form:** Each teacher must complete a signed **Artwork Release Form** for each student. A student who is not 18 by the time of the event must have a parent signature. Signed **Artwork Release Forms** will be collected by the teacher, alphabetized as a group by student last name, and turned in at Teacher Registration on Event Day before any of the Artworks can be adjudicated.

(E) **Disqualification Due Process: Procedure, Disciplinary Action, and Addressing and Resolving Challenges**

- (1) **Procedure:** Failure by any JR VASE participant to uphold these rules, guidelines, or policies will result in disqualification of the artwork. **Once notified of a disqualification, the teacher/sponsor must explain the rationale to the student and parents, as rule compliance is their responsibility.** Teachers/sponsors may no longer challenge a disqualification with the regional director once jurors have been dismissed; final judgment must be accepted professionally and with integrity. Disqualified artworks will be allowed to complete the jury process with a **“Comments Only”** status. Jurors will interview the student and place comments on the Regional Juror Rating Form for student growth, but no numeric rating will be given. The artwork will not be considered for advancement to the **JR VASE Area Event (Platinum Level).**
- (2) **Disciplinary Action for Continued Disqualifications:** **If a teacher/sponsor continuously fails to uphold the JR VASE Event Rules and Policies, leadership from JR VASE or TAEA will issue an infraction notice to the teacher, campus principal, superintendent, and district supervisor (if applicable).** The teacher/sponsor has the right to contest disciplinary action by bringing the issue before the VASE Blue Ribbon Committee.
- (3) **Sanctions for Continued Disqualifications:** If, after a “Continued Disqualification” infraction notification is

sent to supervisors, the teacher/sponsor continues to have disqualifications in subsequent years, disciplinary probation/sanctions will be imposed on the teacher/sponsor. The teacher/sponsor has the right to contest disciplinary action by bringing the issue before the VASE Blue Ribbon Committee.

- (4) **Cause for Immediate Sanctions:** If at any time a teacher/sponsor or parent complaint escalates in a threatening or unprofessional manner towards a worker at a JR VASE event, the regional director, any State JR VASE official, or TAEA Leadership after the complaint has been finalized and the result communicated with the teacher/sponsor or parent, that teacher representing herself/himself or the parent will be subject to sanctions prohibiting involvement in future events for a number of years determined by the TAEA Executive Board. Professional and respectful challenges of qualifications or adjudications are allowed.
- (5) **VASE Blue Ribbon Committee Review:** Any entity involved in JR VASE and/or a TAEA member may at any time submit a suggestion to the State Directors of VASE/Executive Board for additions or revisions to the TAEA/JR VASE Policies & Procedures and/or the JR VASE Rules & Policies (Guidelines). Jurors must communicate concerns only to the Jury Lead/Regional Director, who will then contact the student's JR VASE sponsor.
