YOUTH ART MONTH 2020-2021

Cover art by Eliza H, 8th grade, Clear Creek ISD
Youth Art Month (YAM) is an annual observance held each March to emphasize the value of art education for all children and to encourage support for quality school art programs. Youth Art Month was created in 1961 by the Art and Creative Materials Institute (ACMI), a non-profit association of art and craft materials manufacturers, in cooperation with the National Art Education Association, NAEA. In 1984, ACMI created the Council for Art Education (CFAE) to administer the national Youth Art Month program and encourage funding for the program. Current members of the Council include: ACMI, which provides all administrative support and the majority of the funding for National Youth Art Month; NAEA, whose members carry out local Youth Art Month activities and whose state affiliates help fund state Youth Art Month programs; The SHIP, a group of art materials exhibitors at the annual NAEA Convention; and the General Federation of Women's Clubs, a volunteer organization dedicated to community improvement through volunteer service. Other involved organizations include the Association of Crafts & Creative Industries, Hobby Industries Association, and National Art Materials Trade Association.

To help promote observances, CFAE stimulates and coordinates Youth Art Month activities at the national level. The annual event, “School Flags Across the U.S….Flying High”, is an example. Each year, state Youth Art Month chairpersons hold a student flag competition. A theme is selected that is representative of the individual state and the spirit of Youth Art Month. A design is selected and made into a flag. A celebration is attended by families, friends, teachers and U.S. legislators. The flags are flown in a place of prominence in Washington, DC for the remainder of March. In addition, flags are then displayed in the Youth Art Month booth at the NAEA Convention and in the ACMI booth at the NAMTA Convention before being returned to the individual state.

Each March YAM spotlights art education through governors’ and mayors’ proclamations, states’ capitol events, and thousands of local exhibits. It has the endorsement and support of many U.S. Senators and members of Congress and state legislators who speak out on behalf of art education. The Council and NAEA encourage and assist state Youth Art Month Chairpersons, who are appointed by state art education association presidents, in their efforts to stimulate and coordinate state and local activities. These Chairpersons submit reports to the Council each year detailing their efforts and results.

At the NAEA Convention each year, the Council recognizes outstanding achievement at the state level by conferring awards on certain state chairpersons.

**How do I get involved in Youth Art Month in my community?** Anyone can start an observance. In most states, art educators organize observances and seek the support and help of others in their schools and community who have a genuine concern for quality art programs and are willing to work with others.
The Youth Art Month Theme for 2020-2021
“ART CONNECTS US”

Youth Art Month is more than a state art exhibit of exceptional student works of art and a student designed flag. The month of March is the time to showcase visual art programs throughout schools, districts, communities and Texas.

March is designated as National Youth Art Month. It is recognized throughout the United States as an opportunity to celebrate and serve as an advocacy tool to promote the importance of student art in educating children as a whole. Celebrate Youth Art Month in your schools; start planning today!

March is the official month to step up and promote your successes and exhibit your students’ art within the community. Exhibits are held throughout the nation showcasing strong visual art programs from public and private educational facilities.

The state of Texas promotes Youth Art Month celebrations utilizing community centers, educational service centers, local art associations, galleries, school districts, and individual classrooms as a vehicle to advocate the importance of the visual arts.

The growing acknowledgement of March as Youth Art Month in Texas has demonstrated support for the arts. Educational organizations such as the PTA and PTO, along with local and state officials presently participate and support the annual celebrations. Youth Art Month is the single most important observance to advocate the strength of Texas visual art programs.

Making your local YAM count! Advocating for Texas visual art programs begins with the visual art instructor. As educators, it is important that all activities and all media coverage are reported to the Texas YAM chairperson. Each district that submits a YAM report will be included in the Texas YAM report. YAM reports can be submitted online or on paper ELECTRONICALLY only.

A calendar is provided in this packet and online to assist educators in developing a working timeline to organize events and document successful ideas, promotions, competitions, and exhibits in celebration of Youth Art Month.

Recording exhibitions and activities is a vital part of YAM. Please take time to submit a report online or on paper and submitted electronically, to be included in our state report. Texas is a strong art education state; help show the nation how we promote our programs by submitting a report to be included in the state Youth Art Month Report.
