It is prohibited for a member teacher to register any other teacher's students with his/her TAEA number. A TAEA member/teacher may enter student artwork produced under his/her direct supervision as long as the student is not also working on that same artwork under a non-member's supervision. Section I.3: ARTWORK CATEGORIES DEFINED

- (A) **CATEGORY 2-D: Two-Dimensional Design**
Artwork that primarily has two dimensions (width and height).
- (B) **CATEGORY 3-D: Three-Dimensional Design**
Artwork that has three dimensions (height, width and depth). The understanding is that the structure of the 3-D artwork is constructed by the student.
- (C) **STUDENTS MAY CHOOSE to enter an artwork in the 2-D or 3-D category,** but students should consider that entering it in a non-traditional format could make it difficult to meet the criteria according to the standards.
- (D) **A STUDENT USING A READY-MADE OBJECT as the surface for a traditional 2-D medium may choose to enter it as a 3-D artwork or as a 2-D artwork.** However, the student should consider that entering it as a 3-D artwork will make it difficult to meet the criteria because jurors consider 3-D artwork as that which is constructed by the student. An example of this type of artwork is a painting done on an actual guitar.

Section II: POLICY, PROCEDURES AND CODE OF ETHICS

- (A) **ENTRY CERTIFICATION:** All official Regional entries in VASE must be entered on-line in the official TAEA/VASE website. All official forms will be generated through the data submitted. Any changes made to any official entry forms will result in disqualification. All entries must be listed on the *Regional Entry Certification Form* **signed by the school principal**. Artwork that is confirmed on the *Regional Entry Certification Form* must be the same artwork that is juried at the event. No artwork will be juried without a properly completed *Regional Entry Certification Form*. This form not only certifies that the students are academically eligible, but also that the artworks have been carefully examined by the school administration and found to be acceptable for students, the school, and the community. Deadlines are firm and must be met without exception. It is the responsibility of the teacher to ensure that the artwork that is adjudicated at the event is the same as the artwork registered on-line in the TAEA/VASE website.
- (B) **ENTRY FEES:** An entry fee per student, per entry is required to cover VASE expenses (medals, jurors, printing, etc.). The State Directors of VASE and *Blue Ribbon Board* will set the entry fee for the regional and state events. All entry fees are non-refundable. All entry fees and Regional invoices must be received by the Regional Director before an artwork can be juried. **Once a Reservation has been confirmed, the teacher/sponsor is required to pay for that entry even if the confirmed entry *Did Not Attend (DNA)* the event.**
- (1) **Regional Event** entry fees will be **\$17.00** per entry. Make checks payable to TAEA. Payment must be mailed to the TAEA office a minimum of ten days prior to the Regional Event and accompanied by a Regional Invoice. No cash payments are accepted.
 - (2) **State Event** entry fees for works advancing to the state level will be **\$20.00** per entry. Make checks payable to TAEA. Payment must be mailed to the TAEA office a minimum of ten days prior to the State Event and accompanied by a State Invoice. No cash payments are accepted.
 - (3) TAEA headquarters will coordinate funds for the Regional and State events.

- (4) Student Entry Fees cannot be used to fund or support optional student activities, concessions, or promotional items (T-shirts, buttons, ribbons, pencils, notepads, etc.).

(C) **Entry Categories: (As defined in Section I.3)**

- (1) Category 2-D -Two Dimensional Design
- (2) Category 3-D -Three Dimensional Design

(D) **Entry Procedures:**

 - (a) Student names will be sorted alphabetically. Students entering two artworks must be listed twice.
 - (b) Teachers/Sponsors must register upon arrival at event.
 - (c) All entries must be qualification-ready by the time they go through the qualifications area (paperwork, artwork specifications, and durability).
 - (d) Artwork must be inspected at the qualification tables and certified by a Qualifications Worker according to the VASE Rules, Guidelines, and Policies before it can be juried.
 - (e) Each sponsor teacher must sign out and pick up their medals at the completion of the Area event. **Juror Rating Forms can be printed by sponsor teachers once they are released by the Regional Director.**

(2) **Student Intent and Artwork Identification Form:**

- (a) A *Student Intent and Artwork Identification Form* is required for each entry.
- (b) The *Intent Form* must be signed by the teacher of record prior to the event certifying that, **“I certify that this artwork was produced under my direct supervision and that I have examined it and its sources and found it to be acceptable for students, our school, and our community. I have read and agree to uphold all rules, regulations, policies and the Code of Ethics of the TAEA Visual Arts Scholastic Event.”**
- (c) Students should complete an *Intent Form* for each artwork entered before arriving at the regional event site, answering the questions asked in complete sentences and in their own words. Jurors will use this written information to develop questions and evaluations during the interview. Students must use only the space provided; no additional sheets can be attached.
- (d) Each 2-D artwork entered must have an official *Intent Form* and all reference materials securely attached to the center back of the artwork.
- (e) Each 3-D artwork must have an official *Intent Form* and copies of all reference materials glued or stapled to stiff board and tied to the artwork with string or wire.
- (f) A copy of the *Intent Form* along with a photo no smaller than 5 X 7” of all **boxed 2-D & 3-D** artworks must be attached to the outside of the packing box.

- (3) **Titles:** The *Intent Form* calls for a title or description. For identification purposes, each entry is required to have one or the other. Students may not use generic descriptors such as *Painting, Drawing #1, Untitled, Self-portrait, Still Life*. Each piece of artwork registered by the same teacher must have a one-of-a-kind title.

- (4) **Student Agreement and Artwork Release Form:** Each student must provide a signed *Student Agreement and Artwork Release Form*. A student who is not 18 by the time of the event must have a parent signature. Release forms will be collected and alphabetized by sponsoring teacher. All *Student Agreement and Artwork Release Forms* must be presented to the Regional Director during check-in at the Regional Event.

(E) **Disqualification Due Process: Procedure, Disciplinary Action, and Addressing and Resolving Challenges:**

- (1) **Procedure:** Failure by any VASE participant to uphold these rules, guidelines, or policies will result in disqualification of the artwork. The teacher/sponsor is notified of the disqualification and the teacher must then communicate the rationale for the disqualification to the student and parents (if applicable) because the compliance to VASE rules and guidelines is the responsibility of the teacher/sponsor. Teacher/sponsors may challenge a disqualification with the regional director, but final judgment must be accepted professionally and with integrity. Disqualified artworks will be allowed to complete the jury process with a

“No Rating” status. Jurors will interview the student and place comments on the Regional Juror Rating Form for student growth, but no numeric rating will be given. The artwork will not be considered for advancement to the State VASE Event.

- (2) **Disciplinary Action for Continued Disqualifications:** Continued failure by the teacher/sponsor to uphold these policies will result in an infraction email or letter from the State Director of VASE for that level, the TAEA President, and/or the TAEA Executive Director sent to the teacher/sponsor, campus principal, superintendent, and district supervisor (if applicable). The teacher/sponsor has the right to contest disciplinary action by bringing the issue before the *VASE Blue Ribbon Board*.
- (3) **Sanctions for Continued Disqualifications:** If, after a “Continued Disqualification” infraction notification is sent to supervisors, the teacher/sponsor continues to have disqualifications in subsequent years, disciplinary probation/sanctions will be imposed on the teacher/sponsor. The teacher/sponsor has the right to contest disciplinary action by bringing the issue before the *VASE Blue Ribbon Board*.
- (4) **Cause for Immediate Sanctions:** If at any time a teacher/sponsor or parent complaint escalates in a threatening or unprofessional manner towards a worker at a VASE event, the regional director, or any State VASE official after the complaint has already been judged and the result communicated with the teacher/sponsor or parent, that teacher representing herself/himself or the parent will be subject to sanctions prohibiting involvement in future events for a number of years determined by the TAEA Executive Board. Professional and respectful challenges of qualifications or adjudications are allowed.
- (5) **VASE Blue Ribbon Board Review:** Any entity involved in VASE and/or a TAEA member may at any time submit a suggestion to the State Directors of VASE/Executive Board for additions or revisions to the TAEA/VASE Policies & Procedures and/or the VASE Rules & Policies (Guidelines). Suggestions will be considered by the VASE Blue Ribbon Board for rejection or implementation.

- (F) **Scheduling Formula** – Up to thirty (30) entries on a ten-minute schedule per juror.
- (G) Jurors will evaluate artwork by employing the following rating system to designate the assessment score assigned to an artwork:

<p><u>Points on <i>Juror Rating Form</i> for Regional/Zone Event</u></p> <p>Rating IV Excellent = 60 – 51</p> <p>Rating III Strong = 50 - 37</p> <p>Rating II Developing = 36 - 25</p> <p>Rating I Emerging = 24 - 15</p>

- (H) To maintain the integrity of the jury process, only jurors and designated event officials are permitted in any area where the jury process is in progress.
- (I) **No awards or results should be given until after area judging is complete, and student artwork advancing to state is removed from the area judging site. All sponsors must check out through the regional director.**
- (J) **AWARDS: Regional Medals** are awarded at the Regional Event to those students receiving a Rating IV-Excellent in any Division (1, 2, 3 or 4). All other students will receive a Regional Participation Certificate from the Teacher/Sponsor.

Section III.3: AREA EVENT (STATE ADVANCEMENT)

The Regional Event may also serve as the Area Event, where State finalists are selected. All regional entries receiving a Rating IV-Superior qualify for the Area jury process. When all regional artworks have been juried, and all scores have been entered online, the Area jury process may begin.

- (1) Regional artworks that have received a Rating IV-Superior will be juried again, by a select group of designated jurors, to determine the **State** finalists. No artwork with a rating less than a Rating IV qualifies for the Area event.
- (2) Artwork must be juried in the same Division that qualified it for Area adjudication. No artwork may be moved up or down a division once a Regional rating has been given.
- (3) To ensure consistency across the State in selecting artworks to advance from Area to State, the following formula must be followed: Ten percent (10%) of the actual number of artworks receiving a 4 at the Regional event in each division (Divisions 1 through 4) may advance to State.
- (4) Jurors are allowed one vote for each artwork in a Division for each artwork selected for advancement. The artworks receiving the majority of votes will advance to the State event. Artworks that do not advance to state are returned with their school entries.
- (5) **VASE maintains exclusive exhibition rights for all artwork advancing to State until the conclusion of the State event. Selected artwork is not accessible to anyone (students, teachers, or parents) for any other event, including Scholastic.**
- (6) **VASE maintains exclusive exhibition rights for all artwork earning Gold Seal honors until the conclusion of the TAEA Fall Conference in November. Selected Gold Seal artwork is not accessible to anyone (students, teachers, or parents) for any other event, or for AP 2D Portfolios (Selected Works section).**
- (7) **AWARDS: Area Medals** are awarded at the conclusion of the Regional Event to students who qualify for State VASE.
