STATE VASE PORTFOLIO REVIEW

Representatives from some of the greatest colleges and universities travel across the nation to review student portfolios at State VASE. Think of this opportunity as a mini Portfolio Day. State Qualifying students may register for one of two portfolio review workshops at the state event. Students may also visit with college representatives from 12:30 – 2:00 pm during an open forum. A full list of participating colleges and universities and other workshop options will be posted at the beginning of April each year.
