Using the Teacher Dashboard

VASE 2024

Regional Events for High School VASE and Junior VASE will remain **In-Person**. TEAM will still be adjudicated online in 2024. High School and Junior VASE will continue to use uploads in addition to information attached to artwork for in-person events. **Four** things will be required at **ALL LEVELS:**

- Good-quality photo of the artwork (no mat needed for photo). Photo should be cropped and straightened; upload in JPEG format, **no larger than 10MB**. Only one image can be uploaded; multiple images of 3D & 2D relief artworks should be presented as a collage (2-5 images in collage).
- Reference image(s), sketches, and/or production notes should be compiled in PDF format and uploaded; PDF files should be **no larger than 5MB**. *(NEW: not attached)*
- **Student Intent & Artwork Identification Form is completed online.** *(NEW: Artwork ID Form is printed & attached to entry. This is the top ID portion of the Intent Form.)*
- **Student Agreement & Artwork Release Form will be uploaded by the teacher.** *(NEW)*

Using the Teacher Dashboard:

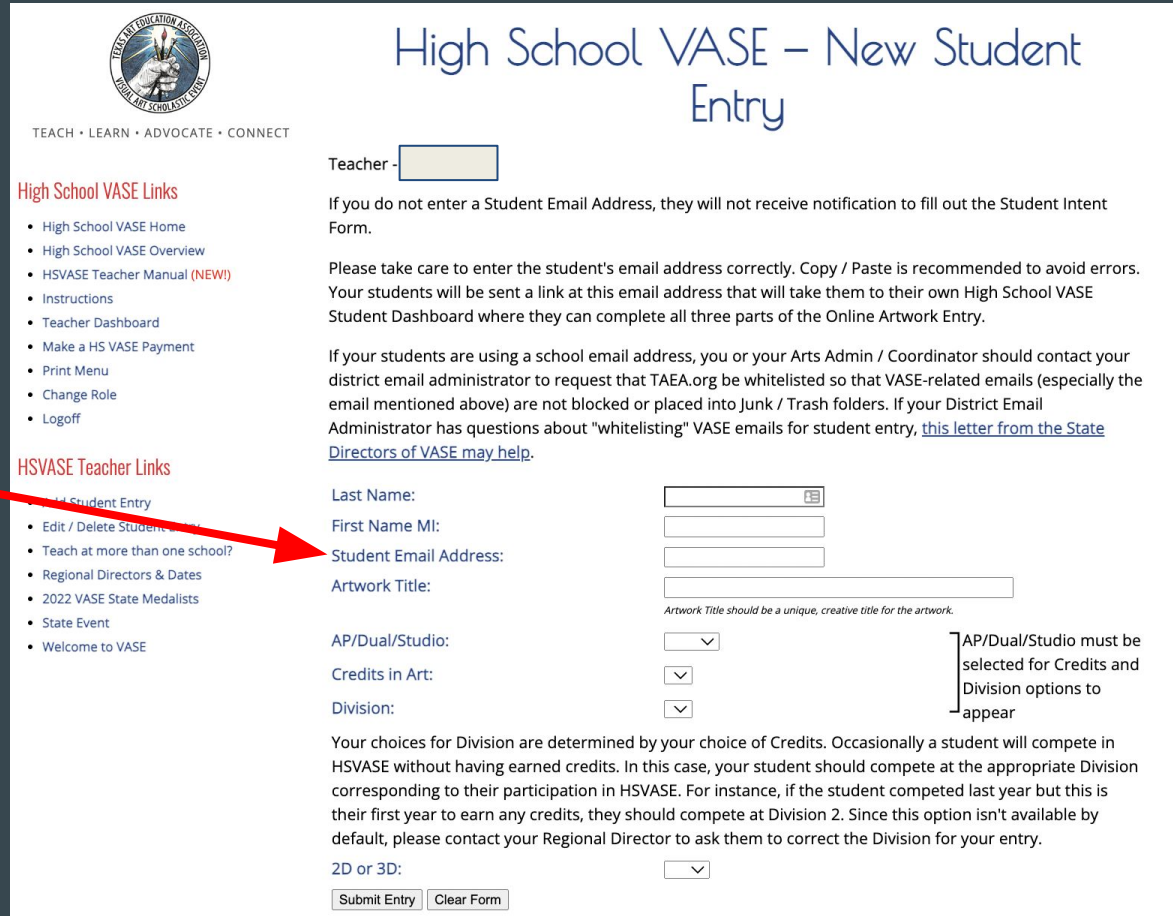

The screenshot shows the top section of the High School VASE Teacher Dashboard. At the top left is the logo for the Texas Art Education Association, featuring a hand holding brushes and the text 'TEXAS ART EDUCATION ASSOCIATION' and 'VISUAL ART SCHOLASTIC EVENT'. Below the logo is the tagline 'TEACH • LEARN • ADVOCATE • CONNECT'. To the right, the text 'High School' is partially visible. The main heading is 'Teacher / Sponsor' in red. Below this, the name 'Cooper, Chris' is displayed above a grey rectangular box. A blue link 'Update User Information' is positioned below the box. On the left side, there is a section titled 'High School VASE Links' with a bulleted list of options: 'High School VASE Home', 'High School VASE Overview', 'HSVASE Teacher Manual (NEW!)', 'Instructions', 'Teacher Dashboard', 'Make a HS VASE Payment', 'Print Menu', 'Change Role', and 'Logoff'. The 'Teacher Dashboard' link is highlighted with a red rectangular border. A large red arrow points from the 'Teacher Dashboard' link to the right, towards the explanatory text. At the bottom of the dashboard, the word 'Instructions' is written in red.

*All parts of the Artwork Entry can be managed from the **Teacher Dashboard** which is a left link in the top section of your HS VASE, Junior VASE, or TEAM Home Page (HS used as example).*

Using the Teacher Dashboard: Student Entry Email

The teacher will enter the student's email address so that the student will be able to upload the parts of his or her own entry, including filling out the Online Intent Form. This is suitable for most students.

If a school/district refuses to whitelist **VASE@taea.org**, the teacher can click a link on Teacher Dashboard, copy the URL, and paste into an email to the student from his/her school email address.

High School VASE – New Student Entry

Teacher -

If you do not enter a Student Email Address, they will not receive notification to fill out the Student Intent Form.

Please take care to enter the student's email address correctly. Copy / Paste is recommended to avoid errors. Your students will be sent a link at this email address that will take them to their own High School VASE Student Dashboard where they can complete all three parts of the Online Artwork Entry.

If your students are using a school email address, you or your Arts Admin / Coordinator should contact your district email administrator to request that TAEA.org be whitelisted so that VASE-related emails (especially the email mentioned above) are not blocked or placed into Junk / Trash folders. If your District Email Administrator has questions about "whitelisting" VASE emails for student entry, [this letter from the State Directors of VASE may help](#).

Your choices for Division are determined by your choice of Credits. Occasionally a student will compete in HSVASE without having earned credits. In this case, your student should compete at the appropriate Division corresponding to their participation in HSVASE. For instance, if the student competed last year but this is their first year to earn any credits, they should compete at Division 2. Since this option isn't available by default, please contact your Regional Director to ask them to correct the Division for your entry.

2D or 3D:

AP/Dual/Studio must be selected for Credits and Division options to appear
