

If you are interested in participating in HS VASE, JR VASE, or TEAM, this message is for you!

NO-FIX is still the policy for the VASE Program:

Regional Directors are no longer allowed to “fix” entries for teachers after VASE deadlines!

What does this mean? It is important the teachers and students work to complete Artworks and the entry process at least 3-5 school days BEFORE each deadline. In fact, the entire process could be completed during the Fall Semester! Here’s how:

- **Teacher Resources** have been updated to reflect **all changes**.
- **Teacher Registration** begins **December 1**; before then, look for—
 - **VASE Program Artwork Release** (can be filled out at any time & saved)
 - **Practice Intent Form** (fillable) can be sent to students, filled out, edited as needed, and saved until after Dec 1.
 - **Reference PDFs** can be created and saved for Dec. 1+ upload right away.
 - **Artwork Photos** can be taken as soon as art is finished (put the work away in a safe place until it’s time to prepare for HS/JV events).
- **Read “Understanding Important Changes”, on the Teacher Resource page.**
- Look for your event in **“Regional Directors & Dates”** for—
 - Regional Director contact email address
 - **Event date & DEADLINE #1 for your event!** Add them to your calendar!
 - **Link:** <https://www.taead.org/VASE/directors-dates.asp>
- If you go to Fall Conference, **attend a “How to VASE/TEAM” session** to learn more details.

***If you aren’t a Certified VASE Juror yet, please apply to be one!
Juror pay has increased to \$175 per event for 2025!***
