## Presidents Message

SUMMER IS A BUSY TIME IN TEXAS!

Our Summer Professional Learning Community offered multiple opportunities for TAEA members all across the state. TAEA Regional Representatives sponsored over eight Summer Regional Conferences state-wide with workshops and professional development hours for attendees.

Our third TAEA Leadership Institute was held in Bandera in the Texas Hill Country with opportunities for conversation, collaboration, creative art making and longhorn cattle sketching. Leadership Scholars attended NAEA Artistry of Leadership Conference in Charleston, South Carolina.

Take a look – we would like to share some of the exiting creative experiences and fun members had in summer workshop sessions across the state. We hope you enjoyed our Summer Professional Learning Community. Professional learning at its best!

What wonderful art related events did you take part of this summer? Consider sharing your knowledge at the 2018 McAllen Conference.

We continue planning our 2018 Conference in McAllen and began plans for our 2019 Conference in Galveston!
