

TOURS & EXPERIENCE INSTITUTES

We are so excited that you are going on a TAEA Tour and/or Experience Institute with us! A few things to remember:

1. Please follow all COVID mask protocols for safety on the bus and at the different venues.
2. Review your transportation plans. If transportation is *Included*, buses will depart from the Kalahari 15 minutes prior to the listed start time for the event. Please be at the bus departure location on time. If transportation is *On Your Own*, use the event's start time to estimate when you should depart for the venue in order to arrive before it starts. Use your GPS mapping software to confirm your travel time.
3. Note the actual workshop time and plan accordingly (see chart below). There are some slight changes in some of the travel times, **highlighted** below.

Have fun and thank you for joining us!
