

The **Texas Art Education Association (TAEA)** is a community of passionate art educators and administrators who come together with a shared purpose—supporting and inspiring our students through art education. We invite you to join us as we continue our work as a leader in the field and help shape creative learning experiences for children across Texas.

One of the most anticipated parts of our annual conference is the **Commercial Exhibits Hall**. Our teachers truly enjoy spending time in the exhibit area—discovering new materials, testing products, exploring creative tools, and gathering fresh ideas to bring back to their classrooms.

We are excited to announce that the **2026 TAEA Conference** will take place **November 12–14, 2026**, at the **Moody Gardens Hotel & Convention Center in Galveston, Texas**. We hope you will consider joining us as an exhibitor and connecting with art educators from across the state. Additional details can be found in the **Exhibitor Packet**.

With a membership of more than **6,000 educators**, TAEA works hard to create a meaningful and inspiring conference experience each year. Our exhibitors play an important role in that experience and are one of the reasons our members look forward to attending year after year. Our most recent conference welcomed **over 2,100 attendees**, offering a great opportunity to share your products and ideas directly with dedicated art teachers.
