- (A) **TEACHER ELIGIBILITY:** The *Texas Art Elementary Art Meet* shall be open only to full time students in grades preK-5 in all Texas *comprehensive (accredited)* public, private, charter or homeschools. The sponsor teacher must be a current member of TAEA and accept the responsibility of students, procedures, and entries. A school may participate in VASE whether or not a formal art program is in place on the campus. It is prohibited for a member teacher to register any other teacher's students with his/her TAEA number. A TAEA member/teacher may enter student artwork produced under his/her direct supervision as long as the student is not also working on that same artwork under a non-member's supervision. A violation of this rule will result in disqualification of the TAEA member's students, and the second art teacher's students.
- (B) **STUDENT ELIGIBILITY:** All participating students must be academically eligible on the day of the VASE event, in accordance with the TEA UIL Side by Side Academic Requirements (**No Pass/No Play**) TEC 33.08C. **A student need not be enrolled in an art class to have his/her work considered for submission. A student's VASE artwork entry MUST be SPONSORED by the same individual TAEA member from their campus/studio of record who SUPERVISED the creation of the work.** Participating students must be enrolled in the sponsoring school for 30 calendar days prior to the Regional Event. Artwork entered in a Regional Event and advancing to State will automatically be entered in the State Event and is subject to rules, procedures and fees that apply at the State Event.
- (C) **NUMBER OF ENTRIES:** Any student who participates may enter a total of two works of art. No more than one student may work on a single entry.

However, disqualified artwork will be allowed to complete the jury process with a “No Rating” status. A juror will interview the student and place comments on the Regional Juror Rating Form for student growth, but no numeric rating will be given. Section III: ARTWORK CATEGORIES DEFINED

(A) **CATEGORY 2-D: Two-Dimensional Design**

Artwork that primarily has two dimensions (width and height).

(B) **CATEGORY 3-D: Three-Dimensional Design**

Artwork that has three dimensions (height, width and depth). The understanding is that the structure of the 3-D artwork is constructed by the student.

(C) **STUDENTS MAY CHOOSE to enter an artwork in the 2-D or 3-D category**, but students should consider that entering it in a non-traditional format could make it difficult to meet the criteria according to the standards.

(D) **A STUDENT USING A READY-MADE OBJECT as the surface for a traditional 2-D medium may choose to enter it as a 3-D artwork or as a 2-D artwork.** However, the student should consider that entering it as a 3-D artwork will make it difficult to meet the criteria because jurors consider 3-D artwork as that which is constructed by the student. An example of this type of artwork is a painting done on an actual guitar.

Section IV: POLICY, PROCEDURES AND CODE OF ETHICS

(A) **ENTRY CERTIFICATION:** All official Regional entries in VASE must be entered on-line in the official TAEA/VASE website. All official forms will be generated through the data submitted. Any changes made to any official entry forms will result in disqualification. All entries must be listed on the *Regional Entry Certification Form* **signed by the school principal**. Artwork that is confirmed on the *Regional Entry Certification Form* must be the same artwork that is juried at the event. No artwork will be juried without a properly completed *Regional Entry Certification Form*. This form not only certifies that the students are academically eligible, but also that the artworks have been carefully examined by the school administration and found to be acceptable for students, the school, and the community. Deadlines are firm and must be met without exception. It is the responsibility of the teacher to ensure that the artwork that is adjudicated at the event is the same as the artwork registered on-line in the TAEA/VASE website. **The *Regional Entry Certification Form* should be uploaded prior to the certification deadline.**

(B) **ENTRY FEES:** An entry fee per student, per entry is required to cover TEAM expenses (medals, jurors, printing, etc.). The State Directors of VASE and *Blue Ribbon Committee* will set the entry fee for the regional and state events. All entry fees are non-refundable. All entry fees and Regional invoices must be received by the TAEA Office before an artwork can be juried. **Once a Reservation is confirmed at the Add/Delete deadline, the teacher/sponsor is required to pay for that entry even if the confirmed entry *Did Not Attend (DNA)* the event.**

(1) **Regional Event** entry fees will be **\$12.00** per entry. Make **school** checks payable to TAEA. Payment must be mailed to the TAEA office a minimum of ten days prior to the Regional Event and accompanied by a Regional Invoice. No cash payments **or parent personal checks** are accepted.

(2) TAEA headquarters will coordinate funds for the Regional events.

- (3) Student Entry Fees cannot be used to fund or support optional student activities, concessions, or promotional items (T-shirts, buttons, ribbons, pencils, notepads, etc.).

(C) **Entry Categories: (As defined in Section III)**

- (1) Category 2-D -Two Dimensional Design
- (2) Category 3-D -Three Dimensional Design

(D) **Entry Procedures:**

(1) **Online Student Intent and Artwork Identification Form:**

- (a) An *Online Student Intent & Artwork Identification Form* is required for each entry.
- (b) The *Online Intent Form* must be certified by the teacher of record prior to the event stating that, “**I certify that this artwork was produced under my direct supervision; I have examined it & its sources and found it to be acceptable for students, our school, and our community. I have read and agree to uphold all rules, regulations, policies and the Code of Ethics of the TAEA Visual Arts Scholastic Event.**”
- (c) Students should complete an *Online Student Intent Form* for each artwork entered before the posted Data Upload & Certification Deadline, answering the questions asked in complete sentences and in their own words. Jurors will use this written information to develop questions and evaluations during the interview. Students must use only the space provided online. Each response **MUST** contain **at least 10 words**. **Students must NOT repeat phrases or sentences to reach this minimum.**

- (3) **Titles:** The *Student Intent Form* calls for a unique, creative title. For identification purposes, each entry is required to have this. Students may not use generic descriptors such as *Painting, Drawing #1, Untitled, Self-portrait, Still Life*. Each piece of artwork registered by the same teacher must have a one-of-a-kind title.

- (4) **Student Agreement and Artwork Release Form:** Each teacher must complete a signed *Student Agreement and Artwork Release Form* for each student. A student who is not 18 by the time of the event must have a parent signature. **Release forms will be uploaded by the teacher into each entry at any time before the Upload / Certification deadline.**

(E) **Disqualification Due Process: Procedure, Disciplinary Action, and Addressing and Resolving Challenges:**

- (1) **Procedure:** Failure by any TEAM participant to uphold these rules, guidelines, or policies will result in disqualification of the artwork. The teacher/sponsor is notified of the disqualification and the teacher must then communicate the rationale for the disqualification to the student and parents (if applicable) because the compliance to TEAM rules and guidelines is the responsibility of the teacher/sponsor. Teachers/sponsors may challenge a disqualification with the regional director, but final judgment must be accepted professionally and with integrity. Disqualified artworks will be allowed to complete the jury process with a “No Rating” status. Jurors will interview the student and place comments on the Regional Juror Rating Form for student growth, but no numeric rating will be given. The artwork will not be considered for advancement to the State VASE Event.
- (2) **Disciplinary Action for Continued Disqualifications:** Continued failure by the teacher/sponsor to uphold these policies will result in an infraction email or letter from the State Director of VASE for that level, the TAEA President, and/or the TAEA Executive Director sent to the teacher/sponsor, campus principal, superintendent, and district supervisor (if applicable). The teacher/sponsor has the right to contest disciplinary action by bringing the issue before the *VASE Blue Ribbon Committee*.
- (3) **Sanctions for Continued Disqualifications:** If, after a “Continued Disqualification” infraction notification is sent to supervisors, the teacher/sponsor continues to have disqualifications in subsequent years, disciplinary probation/sanctions will be imposed on the teacher/sponsor. The teacher/sponsor has the right to contest disciplinary action by bringing the issue before the *VASE Blue Ribbon Committee*.
- (4) **Cause for Immediate Sanctions:** If at any time a teacher/sponsor or parent complaint escalates in a threatening or unprofessional manner towards the regional director, or any State VASE official after the complaint has already been judged and the result communicated with the teacher/sponsor or parent, that teacher representing herself/himself or the parent will be subject to sanctions prohibiting involvement in

future events for a number of years determined by the TAEA Executive Board. Professional and respectful challenges of qualifications or adjudications are allowed.

- (5) **VASE Blue Ribbon Committee Review:** Any entity involved in VASE and/or a TAEA member may at any time submit a suggestion to the State Directors of VASE/Executive Board for additions or revisions to the TAEA/VASE Policies & Procedures and/or the VASE Rules & Policies (Guidelines).
